

LUDLOW HOCKEY CLUB  
**STRETTON JUNIORS**  
REGISTRATION FORM  
**SPECIAL NOTES**

**I am interested in playing for Stretton Juniors but I play football or some other sport on Sundays - what can I do?**

The CVL meetings are usually 1.00-3.30pm for U11s and 3.30-5pm for U13s. Many Hockey Club regulars have found that they can combine two sports on one day, particularly as the CVL is not too demanding, with short games and played on a half-pitch - and of course the meetings are not every week. E.g. South Shropshire Junior Football League matches are usually played on Saturday or Sunday mornings finishing before 12 noon, allowing recovery time before the afternoon session.

Despite this you might not be able to make all or any of the CVL meetings - but you will still be welcome to join in with practice/training to develop your skills, understanding and interest - because you don't know when you might become available to take part in this exciting sport - e.g. maybe on other days! Help put the Strettons on the hockey map! Join in.

**PARENTS - Can you help?**

Would you be willing to transport children to training/CVL venues or help in some other way? Then please let us know what you can offer . . .

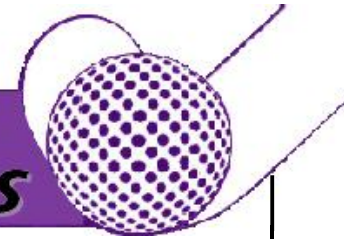

Information provided on this form will only be shared with Ludlow Hockey Club for the purpose of establishing levels of eligibility, interest and to contact you regarding hockey related matters.

**Need further info then call 01694 723543**

LUDLOW HOCKEY CLUB  
*Stretton Juniors*

Share in the Success of  
Stretton Juniors!

*Hello parents and hockey players / newcomers*

I am writing to inform you of a very successful new development to hit the Strettons sporting scene presenting opportunities for coaching, playing and competition for school aged children interested in hockey. The Strettons area has long provided hockey players for clubs in larger towns - last year things changed as successful winning teams represented the Strettons.

I have been involved with Ludlow Hockey Club for many years (as player, manager and coach) and offered to develop Stretton teams to take part in a new central league (CVL) at Leominster on Sunday afternoons.

The league features sections for boys under 13s, girls under 13s, and mixed under 11s (based on players age on Sept 1st 2007). Short 7-a-side matches are played on a reduced size pitch with several teams playing one another at the same meeting. This means there is plenty of opportunity for matchplay without too much stress and stamina - *a great way to learn*. I am aiming to maintain at least two sides if there is sufficient support.

**Are you interested?**

The Stretton Juniors club is a wing of Ludlow Hockey Club (well respected for youth development and child protection with secure finance and insurance).

*Continued . . .*

If you are new to hockey (*and under 13*) come along to the free Ludlow Hockey Club coaching sessions on Mondays 4-5pm at Stretton Comprehensive School. Existing Hockey Club players who live in and around the Strettons are encouraged to join the Stretton Juniors and gain some local recognition for their hockey exploits.

We hope to set up some special training sessions **for all members**, experienced or not, new or old, specifically to cover skills, teamwork, rules and special match routines. It is intended to train, prior to each CVL if possible on an artificial pitch either at Leominster or Shrewsbury.

### Let us know

In the first instance please complete the attached form to register your child and provide initial details. I shall contact you as soon as possible with details of how we proceed and any special training sessions. (otherwise utilise the Monday sessions - see details above)

### Too Old?

If you are aged 13-15 (on Jan 1st 2007) you are too old for under 13s CVL but if you are keen to play and represent the Strettons at hockey we may be able to develop our plans further and/or use our links with other clubs to find you opportunities. If you are in this category please still complete and return the form to show your interest - we will contact you later.

### Want to help?

Parents with or without hockey experience can help us develop Stretton Juniors from providing transport to managing kit or helping at training sessions etc. - please let us know on the registration form.

*Thank you for your interest -*

*Martin Watts*
